

STOCKS for FUN and PROFIT

Subscribers Agreement

You1st Enterprises Ltd. and Herman VanGenderen, as editor will always endeavor to provide accurate and up-to-date information; however financial markets are always changing, often rapidly. The subscriber hereby acknowledges this and shall not hold You1st Enterprises Ltd., Herman VanGenderen, or any of its employees or agents liable for any reason.

You1st Enterprises Ltd., Herman VanGenderen as editor, employees or agents and the newsletter, *STOCKS for FUN and PROFIT* are advising generally and do not in any way purport to be tailoring their advice to the individual subscriber. The individual subscriber hereby acknowledges that they are taking responsibility for identifying their own needs, including the needs relative to consulting financial and tax professionals.

The Subscriber also hereby agrees that they will NOT electronically forward, or reproduce in any way, the contents of the Newsletter without permission. As a subscriber you are paying good money for the newsletter, and only you and your spouse should benefit from it. The subscriber also recognizes the need for You1st Enterprises Ltd. to profit from the newsletter in order to continue providing the service.

The subscriber also hereby provides You1st Enterprises Ltd. permission to e-mail.

You1st Enterprises Ltd. may, in its sole discretion, assign all of its rights and obligations under this agreement to an affiliated corporation.

Subscription Price: One year \$500, two years \$900, three years \$1200 plus GST/HST. Please make checks payable to You1st Enterprises Ltd. and mail to Herman VanGenderen, 45 Hampstead Manor NW, Calgary, AB T3A6A2.

The newsletter and other publications will contain the following disclaimer:

The information presented has been obtained from sources believed to be reliable and You1st Enterprises Ltd endeavors to present all information as accurately as possible, however complete accuracy cannot be guaranteed. Opinions expressed reflect personal judgment, and are subject to change without notice. The publisher and its agents or employees shall not be held liable for any loss or damage that arises from negligence, misrepresentation, or any act of omission of the publisher or its agents or employees. Trade in stocks and options carries substantial risk. Anyone considering such strategies recognizes this risk and must carefully consider their investments needs and their need to consult with financial and tax professionals. The writer is not a financial professional, but rather a successful amateur. Writings should not be considered as advice, but rather in the context of what I have done myself to be successful. Future returns cannot be guaranteed. This report may not be reproduced or redistributed in whole or in part without the permission of You1st Enterprises Ltd.

I have read and understand this subscriber's agreement and hereby agree to honour it.
